

Dear

Thank you for your Freedom of Information request concerning patients with moderate or severe Atopical Dermatitis treated with the following.

In your trust, during the last 12 month period (latest measureable period where possible), please supply the following information:

For patients [and within age groups if possible] with moderate or severe Atopical Dermatitis treated with the following:

Drug	Total patients	Adults aged 18+	patients aged 12-17	patients aged under 12
Prednisolone				
Azothiaprine				
Ciclosporin				
Methotrexate				
Myophenate				
Topical steroid				
Tacrolimus				
Pimecrolimus				

The Trust is not able to provide as this level of detail per drug dispensing (by indication nor by age) from our pharmacy system

If you have any queries about this response please contact the information governance manager at foi@homerton.nhs.uk , in the first instance. If, following that, you still have any concerns, you may contact the Information Commissioner either by letter, FOI/EIR Complaints resolution, Wycliffe House, Water Lane, Wilmslow, Cheshire SM9 5AF, or by email www.informationcommissioner.gov.uk to take them further.

Copyright Statement
