

Dear

Thank you for your Freedom of Information request concerning radiology reporting split spend.

The Trust can provide the following information:

Please can you detail how much spend the trust had on out sourcing radiology reporting for the financial year 2012-2013? Can you split spend into the following categories:

- * Plain film reporting
- * CT reporting
- * MRI reporting
- * Other reporting

Where possible, can you please state the organisation/s used in this area during this time?

Homerton Radiology uses an off-site reporting company (4Ways) to undertake CT Reporting between the hours of 2200-0800hrs.

In 2012-13 the spend was approximately £40,000. No other reporting is outsourced except in the rare event that an expert (second) opinion is required. This is provided by a range of NHS Tertiary Care establishments

If you have any queries about this response please contact the information governance manager at foi@homerton.nhs.uk , in the first instance. If, following that, you still have any concerns, you may contact the Information Commissioner either by letter, FOI/EIR Complaints resolution, Wycliffe House, Water Lane, Wilmslow, Cheshire SM9 5AF, or by email www.informationcommissioner.gov.uk to take them further.
