

Dear

Thank you for your Freedom of Information request concerning total amount of money spent by the Trust on all cancer treatment services.

- 1) The total amount of money spent by the Trust on all cancer treatment services for the financial year 2011-2012 and 2012-2013 (if the time limit allows for this then please break the results down by different cancer types).

The Trust is not able to provide this data as cancer is part of many budget lines and not a separate line

- 2) The average amount of money spent by the Trust on cancer treatment services per patient for the financial year 2011-2012 and 2012-2013.

The Trust is not able to provide this data as cancer is part of many budget lines and not a separate line

- 3) The number of patients admitted to the Trust for cancer treatment services for the period of the financial year 2011-2012 and 2012-2013.

The Trust record number of cancer treatments and reports these externally and are publically available on the NHS England website. However in regards to the number of patients admitted this is not recorded and a search of every patient that was treated in the last two years to see if they were admitted or just given oral chemo/outpatient procedure and is estimated would exceed 18 hours and therefore is exempt under section 12 of the Freedom of Information Act2000.

If you have any queries about this response please contact the information governance manager at [foi@homerton.nhs.uk](mailto:foi@homerton.nhs.uk) , in the first instance.
