

Dear

Thank you for your Freedom of Information request concerning staff given flu jabs.

The Trust can provide the following information:

How many of your staff have been given the flu jab this year? Please break the figures down per department, for example, in A&E. In each case, please provide the total number of staff, so I can see what percentage have been given the jab.

I would be grateful if you could tell me what date you have used to calculate the figures. For example, as of 1st December X number of staff in X,Y,Z, department have received the flu jab.

Note: as this information isn't recorded in the format being requested by departments), it is estimated it would exceed 18 hours to provide the information, however we can provide by group types see below.
