

Dear

Thank you for your Freedom of Information request concerning Staff Influenza Vaccinations.

The Trust can provide the following information:

- what incentives have been offered to staff in the last 3 years, including this year, such as gifts and time off in lieu
- how much has been spent on campaigns to increase uptake of flu vaccination amongst staff

Re what incentives have been offered to staff in the last 3 years, including this year, such as gifts and time off in lieu

- They get a sticker with I'm a 'flu fighter on it
- We make staff feel valued by taking the vaccine to them so that they can take it in their work place

Re - how much has been spent on campaigns to increase uptake of flu vaccination amongst staff

- £100 for a banner and also £400 (a couple of years back) for a stand – both are used to advertise the campaign.
- £4 in paper. We mostly use the free campaign material and T shirts.
- There is also the cost in hours for the OH nurse and OH manager to write plans and input data re how we will reach all the staff to get it accessible to all staff. I would estimate this to equate to 1 ½ months' salary at a band 7.
