

Dear

Thank you for your Freedom of Information request concerning medical negligence cases brought against your Trust over the last five years.

The Trust can provide the following information:

- Total number of medical negligence cases brought against your Trust over the last five years broken down by type of case and year. --
- Further to point 1 – if the case was as a result of a medical procedure, please provide details of the medical procedures.
- Total number of these cases that have been successful over the last five years broken down type of case and year.
- Total amount of money paid out for medical negligence over the last five years broken down by type of case and year.

Money paid in any one year does not relate to a specific number of claims, as claims are not brought, settled and paid within the same year
Claims are managed by the NHS LA, would suggest you could check their Factsheet 5 which can be found via the Current Activity page of the NHS LA website
