

Dear Sir/Madam

Thank you for your Freedom of Information request concerning bed numbers and admission rates.

To whom it may concern, I was interested in your bed numbers and admission rates. If you could send them to me please? Ideally with an indication how many are Surgical, internal medical neurological and gynaecological.

We have been asked to design our psychiatric service to Hackney again and since we have now proper liaison psychiatry to you that would be very helpful.

The Trust can provide the following information:
