Please supply details of investigations into the professional conduct of members of medical and pharmacy staff in 2013 by Homerton University Hospital NHS Foundation Trust.

Please include the numbers and departments of staff investigated and suspended including the nature of the issue such as medical error, financial, fraud or receiving or soliciting money from suppliers real or potential, including pharmaceutical firms and medical equipment suppliers. This is not an exhaustive list of potential issues.

Please also supply details of the outcome such as dismissal or resignation of staff, no case to answer and whether individuals have been reported to their professional regulator or the police.

Please include copies of material which you hold in the form of paper and electronic records, including emails.

There have been 5 informal investigations regarding Consultants conduct but this has not resulted in any suspensions. We are not able to provide any other details or documents at this stage as the process is not yet complete.
