

Dear Sir/Madam

Thank you for your Freedom of Information request concerning Procurement.

In the recent Department of Health / Procurement, Investment & Commercial Division “NHS eProcurement Strategy” document (published 7th May 2014 – found here : <https://www.gov.uk/government/publications/nhs-e-procurement-strategy>) Dr Dan Poulter explained that he had written to all NHS trusts asking them to “ensure that there is a lead non-executive director for procurement who will be asked to hold their board to account for the delivery of the wider Procurement Development Programme, including this NHS eProcurement strategy”

I am therefore requesting information relating to who this non-executive director is for your Trust and what email contact details there are for this individual in order that I may write to him / her.

The Trust has had a number of changes at Board level recently and we are currently in the process of identifying an appropriate NED for this initiative.

If you have any queries about this response please contact the information governance manager at foi@homerton.nhs.uk , in the first instance. If, following that, you still have any concerns, you may contact the Information Commissioner either by letter, FOI/EIR Complaints resolution, Wycliffe House, Water Lane, Wilmslow, Cheshire SM9 5AF, or by email www.informationcommissioner.gov.uk to take them further.
