

Dear Sir/Madam

Thank you for your Freedom of Information request concerning Spend on electrical materials for estate and facilities.

The Trust can provide the following information:

- The estimated total annual spend on electrical materials for estates and facilities. E.g. Lamps, HVAC, cable, batteries etc

Estimated annual spend on electrical materials equates to approximately £40k

- Provide the top 10 lines used

The Trust does not have a top ten but am able to list our largest spends in order of priority. They are: fluorescent lamps, energy efficient lamps, cable, socket outlets, transformers, ballasts and light fittings/diffusers.

- Detail any potential energy efficiency project you are considering if possible

The Trust has an on-going program of light fitting replacement with LED's

- Detail any major new electrical work you are considering including new building projects.

The most significant projects currently in the pipeline include the provision of a new pathology building and replacement of one of the main generators
