

Dear Sir/Madam

Thank you for your Freedom of Information request concerning ADHD services.

Please could you fulfil the following FOI request:

- o If you have an ADHD service for Adults?
- o If you have an ADHD service for Children?
- 1) The number of adults diagnosed in your CCG area since diagnosis started?
- 2) The number of children diagnosed in your CCG area since diagnosis started?
- 3) The total cost of diagnosis per adult and the number of adults diagnosed in the last year?
- 4) The total cost of diagnosis per child and the number of children diagnosed in the last year?
- 5) Please also inform me if you can the number of people on medication for 1 year or more?

Community paed's do not diagnose or manage children with ADHD they are referred to specialist CAMHs (mental health trust) who provide this service.

Also the Trust does not provide assessment or treatment for Adult ADHD in our services. ELFT (East London Foundation Trust) is the NHS provider for this in Hackney. Not sure if this is commissioned by the CCG, best worth checking with them.

If you have any queries about this response please contact the information governance manager at [foi@homerton.nhs.uk](mailto:foi@homerton.nhs.uk), in the first instance. If, following that, you still have any concerns, you may contact the Information Commissioner either by letter, FOI/EIR Complaints resolution, Wycliffe House, Water Lane, Wilmslow, Cheshire SM9 5AF, or by email [www.informationcommissioner.gov.uk](http://www.informationcommissioner.gov.uk) to take them further.
