Dear Sir/Madam

This is a follow up response relating to television services.

Please find our response below:

much money is spent annually on provision of television services in hospitals in your area over the years of 2012,2013 & 2014 to date?

TV's are owned, managed and serviced by the Trust. To work out the amount spent on providing this service would require more than 20 hours of investigative work, and thus – we will not respond in further detail.

Additionally to the above how much is commission/revenue is received annually from any external company who provides services on your behalf over the same periods as detailed above.

None.

If you have any queries about this response please contact the information governance manager at foi@homerton.nhs.uk , in the first instance. If, following that, you still have any concerns, you may contact the Information Commissioner either by letter, FOI/EIR Complaints resolution, Wycliffe House, Water Lane, Wilmslow, Cheshire SM9 5AF, or by email www.informationcommissioner.gov.uk to take them further.
