Dear Sir/Madam

This is a follow up response relating to **EPR & NPF**.

Please find our response below:

- what system or systems is your hospital using for its electronic Patient record (EPR) platform today?
Cerner Millennium
- Did you purchase a new system under the former National Programme for IT (NPfIT)? **No**
- o If yes, what system did you purchase and when?
- o When was it installed?
- o Is it functioning as you intended?
- o If not, why?
- Are you satisfied with your system?
- o If not, do you intend to replace it?
- If you did not purchase a system on your own or under the NPfIT , do you now plan on purchasing an EPR system? **No**
- o If yes, when do you plan to start an official procurement process? (i.e., this year, 2015, 2016, 2017, etc.)
- o How long do you expect your procurement process to take once started? (In months)
- o What is your budget for an EPR system? (In millions £'s)
- Have you conducted any site visits to see already functioning EPR systems?
- o If so, where and when?
- What is the main issue you are trying to solve with a new EPR?
- What factors are important in selecting a new EPR? (ex., "interoperability")

If you have any queries about this response please contact the information governance manager at foi@homerton.nhs.uk , in the first instance.
