

Category of Information	Asset Name	Description
Patient information	Dawn Dmard Dermatology	Dermatology Patient Database
Patient information	Dawn Dmard Rheumatology	Rheumatology Patient Database
Patient information	Ascribe	e-Prescribing
Patient information	Athena Cardiac Database	Cardiac Failure Patient Database
Patient information	BASO breast cancer database	Breast Cancer Database
Patient information	BAUS urology cancer database	Cancer Database
Patient information	Choose & Book	Patient Referrals
Patient information	RiO	Electronic Patient Record
Patient information	Summary Care Record	
Patient information	Cerner Millenium	Electronic Patient Record
Patient information	Open Exeter	
Patient information	Sexual Health Database	
Patient information	Winpath	Pathology System
Patient information	Clinisys Cyberlabs Dataserver	Sexual Health database
Patient information	Colorectal	Colorectal cancer database
Patient information	Head & neck Oncology Database	www.dahno.com
Patient information	Datacam cardiology database	Cardiology Patient Database - Oracle Based
Patient information	Dendrite	Cancer database
Patient information	Optimize	Digital retinal Screening DB
Patient information	Fairwarning Proactive Privacy audit	Monitors and audit access to other Trust systems
Patient information	G2 Speech Digital dictation	EPR Transcription/Dictation system for Radiology doctors and secretaries
Patient information	Fetal database (Viewpoint)	
Patient information	Document management System (DS32)	
Patient information	GP Order Comms	
Patient information	Infoflex version 5	Colposcopy appointment booking/patient information software

Category of Information	Asset Name	Description
Patient information	Infoflex version 5 EPR interface	
Patient information	Pharmacy Stock Control	
Patient information	Maternity Database (K2 Gaurdian)	
Patient information	Fertility Database	
Patient information	Fertility sample tracking	RI Witness, RI Tracker and RI Data
Patient information	Rotherham Gastroenterology Database	Gastroenterology Database
Patient information	PACS	Picture Archiving Service
Patient information	Palcare	Palliative Care Database
Patient information	TSS Web Version	Therapy Services Patient Information and Booking System (Physio therapy database - web version)
Patient information	Broncho database	Unisoft Respiratory Patient Database
Patient information	Gastro Database	Unisoft Gastroenterology Patient Database
Patient information	Unisoft/EPR Interface (Service)	Unisoft Respiratory Patient Database
Patient information	Occupational Health Database (CASS)	
Patient information	Winpath, BHS, Micro	Pathology results software system
Patient information	Business Objects	
Critical Systems	CHIA	Child Health Interim Application
Patient information	HIV Manager	
Patient information	IDEAS 5.1 (Formally IDS 4.5)	Fertility Unit Scheduling Software
Patient information	Keystone	
Patient information	Medicus	EPR Interface
Patient Information	MIA	Records are stored on the national database MIA
Patient information	Minap	Myocardial Infarction National Audit Project
Patient information	Pascom Access DB	
Patient information	Pelvic Floor Database	
Patient information	Platypus Fetal Software	
Patient information	Somerst Health Informatics Cancer database	

Category of Information	Asset Name	Description
Patient information	Spacelabs	
Patient information	Stan Viewer	Enterprise Analytical Software
Patient information	Theatre database	Theatre booking system
Patient information	Viewpoint Ver 5.1.3.399 PIA Fetal Database	Antenatal/Fetal Unit Patient booking/information system
Patient information	PTS-online	Patient transport booking system
Procurement & Finance	Oracle	Procurement/Finance database
HR Information	Smartcard database	Smartcard database details
Critical Systems	ESR	Electronic Staff Records
Critical Systems	LMS	Learning Management System
Critical Systems	e-KSF	Staff information
Critical Systems	AT Learning	Staff Training
Critical Systems	PLAN	Access Control System. User privileges and rights
R&D	Cspreada	Homerton local database holds commiunity and acute R&D information
R&D	csprdmis	Network research database - central and north east London for research network
