Dear Sir/Madam,

Thank you for your recent follow-up Freedom of Information request regarding Capital Projects at Homerton Hospital Trust.

The Trust can provide the following information:

- **Does the trust have any capital projects it is currently seeking funding for, awaiting a decision on, or has been told in the last 6 months that it will not receive funding for?**
- **Please give a brief description of what the capital project/projects are**
- **Please tell me how much funding is required?**
- **If the trust does have capital projects it has requested funding for, which organisation did the trust request funding from?**
- **If funding has been denied does this mean the trust will not go ahead with the capital project, or will you seek funding from other sources?**
- **If so, which other sources have you approached for funding and has it been successful?**

Funding has not currently been sought to carry out Capital projects either for the past 6 months or for the foreseeable future, or at least until the start of the next financial year.

If you have any queries about this response please contact the information governance manager at foi@homerton.nhs.uk , in the first instance. If, following that, you still have any concerns, you may contact the Information Commissioner either by letter, FOI/EIR Complaints resolution, Wycliffe House, Water Lane, Wilmslow, Cheshire SM9 5AF, or by email www.informationcommissioner.gov.uk to take them further.
