Dear Sir or Madam,

**Ref: FOI 2218**

Thank you for your recent Freedom of Information request regarding TM44 Air conditioning.

The Trust can provide the following information:

**You will be aware that all buildings in the UK with more than 12kw of combined air conditioning should have what is called a TM44 Air Conditioning Assessment lodged on the Government Landmark database every 5 years. Your buildings appear to have not got these Certificates and may be unlawful.**

**When do you intend to get these TM44 surveys undertaken?**

**Climate change is important, why have you not complied with this Legislation?**

**Who, specifically, is responsible for this issue; please supply all contact details?**

Dear Sir, we are not aware that we have any a/c units > 12kw and are unsure why you assume that we do. As such, TM44 does not apply.

If you have any queries about this response please contact the information governance manager at [foi@homerton.nhs.uk](mailto:foi@homerton.nhs.uk), in the first instance. If following that, you still have any concerns, you may contact the Information Commissioner either by letter, FOI/EIR Complaints resolution, Wycliffe House, Water Lane, Wilmslow, Cheshire SM9 5AF, or by email [www.informationcommissioner.gov.uk](http://www.informationcommissioner.gov.uk) to take them further.
