Dear Sir or Madam,

**Ref: FOI 2369**

Thank you for your recent Freedom of Information request regarding Diagnostic imaging.

The Trust can provide the following information:

**If you could provide me with the information set out below in respect of Diagnostic Imaging (DI) at your Trust for the FY 2014/15:**

**For each of the key Points of Delivery categories (just EL, SSEL, NEL, SSNEL, DC and OP), the numbers and types (e.g. CT/MR/PET-CT/endoscopy) of DIs performed per Primary Diagnosis (ICD) and the number of patients so investigated in that ICD category.**

Please refer to attached Spread Sheet

**We would only need the first three characters of the Primary Diagnosis code (e.g. C00 to D49 for Neoplasms).**

Please refer to attached Spread Sheet

***Please note the following***

- It is not absolutely clear from your request what SSEL and SSNEL PODS are, and therefore we have provided information on the standard inpatient PODs (DC, EL, NEL, NELNE and RA);
- The Trust does not currently code outpatient activity. The Diagnostic code provided relate to inpatient elective and non-elective activity

If you have any queries about this response please contact the information governance manager at [foi@homerton.nhs.uk](mailto:foi@homerton.nhs.uk), in the first instance. If following that, you still have any concerns, you may contact the Information Commissioner either by letter, FOI/EIR Complaints resolution, Wycliffe House, Water Lane, Wilmslow, Cheshire SM9 5AF, or by email [www.informationcommissioner.gov.uk](http://www.informationcommissioner.gov.uk) to take them further.
