

Homerton University Hospital NHS Foundation Trust
Hackney College
Defoe Building, Room 10
50 Hoxton Street
N1 6LP

Date 10th August 2016

Email: foi@homerton.nhs.uk

Dear Sir or Madam,

Ref: FOI 2601

Thank you for your recent Freedom of Information request regarding Hip Dysplasia of new born babies at Homerton hospital.

The Trust can provide the following information:

I would be so grateful to receive copies of any protocols or guidelines in place in around 2002, in relation to the management of new born babies' hips and in particular any protocols regarding the screening by ultrasound of babies at risk of hip dysplasia.

The Trust does not have protocols or guidelines from 2002 that relate to hips, ultrasound or dysplasia. Our most recent guideline was produced in 2013 and updated in 2016. We have a parent's information booklet that was originally written in 2007, the latest version of this information is 2010.

If you have any queries about this response please contact the information governance manager at foi@homerton.nhs.uk, in the first instance. If following that, you still have any concerns, you may contact the Information Commissioner either by letter, FOI/EIR Complaints resolution, Wycliffe House, Water Lane, Wilmslow, Cheshire SM9 5AF, or by email www.informationcommissioner.gov.uk to take them further.
