Dear Sir or Madam,

**Ref: FOI 2844**

Thank you for your recent Freedom of Information request regarding FY1 and FY2 doctors new Terms and Conditions for NHS Doctors and Dentists in Training (England) 2016.

The Trust can provide the following information:

**1. What dates will Foundation Year 1 (FY1) doctors and Foundation Year 2 (FY2) doctors in your trust transition on the *new Terms and Conditions for NHS Doctors and Dentists in Training (England) 2016*?**

All 35 FY1 doctors will transition to the new contract on 7<sup>th</sup> December 2016.

**2. How many FY1s and FY2s within your Trust will be transitioning on to the new Terms and Conditions for NHS Doctors and Dentists in Training (England) 2016 before December 31st 2016, represented as –**

- a) The total number of FY1s transitioning - 35
- b) The total number as a percentage of FY1s transitioning – 100%
- c) The total number of FY2s transitioning - 0
- d) The total number as a percentage of FY2s transitioning – 0%

**3. If not all FY1s and FY2s are transitioning to the *new Terms and Conditions for NHS Doctors and Dentists in Training (England) 2016* in November or December 2016 – as recommended by NHS Employers implementation timeline – please can you explain why and provide any and all detail, correspondence or Trust board reports relating to this decision.**

The FY2 doctors are not transitioning in December as they do not share any rotas with the FY1 doctors. FY2 doctors share rotas with ST1 and CT1 doctors and so will be transitioning with those in line with the implementation timeline. 5 FY2 doctors out of 27 will transfer in April 2017 whilst the rest will remain on the old Terms and Conditions until they finish their placement at Homerton.
