Dear Sir or Madam,

Ref: FOI 2861

Thank you for your recent Freedom of Information request regarding intravenous cancer drug therapies.

The Trust can provide the following information:

On average how many patients receive intravenous cancer drug therapies (includes monoclonal antibodies (mAbs)) on a daily basis across all hospital chemotherapy day units in your organisation/Trust?

The Trust does not administer intravenous cancer drug therapies -- all patients are referred to Barts Health NHS Trust.

If you have any queries about this response please contact the information governance manager at foi@homerton.nhs.uk, in the first instance. If following that, you still have any concerns, you may contact the Information Commissioner either by letter, FOI/EIR Complaints resolution, Wycliffe House, Water Lane, Wilmslow, Cheshire SM9 5AF, or by email www.informationcommissioner.gov.uk to take them further.
