Dear Sir or Madam,

Ref: FOI 2926

Thank you for your recent Freedom of Information request regarding the number of alcohol related admissions (pedestrians) at the Accident and Emergency department at Homerton Hospital.

The Trust can provide the following information:

How many incidents occur for pedestrians that are alcohol related and would be grateful if you could send a breakdown of ethnic groups, gender (if possible) numbers pertinent to each group, A&E explanation given/severity of the injury?

Please refer to the attached spreadsheet – please note the Trust can only provide figures for alcohol related admissions, but not specific to pedestrians as we do not record data at this level.

If you have any queries about this response please contact the information governance manager at foi@homerton.nhs.uk, in the first instance. If following that, you still have any concerns, you may contact the Information Commissioner either by letter, FOI/EIR Complaints resolution, Wycliffe House, Water Lane, Wilmslow, Cheshire SM9 5AF, or by email www.informationcommissioner.gov.uk to take them further.
