

Make a difference, Return to Health Visiting

Help to improve the health and well being
of children, families and communities

If you have previously worked as a registered Health Visitor in the UK, you could retrain from September 2012 to return to practice.

We can offer:

- Funding to cover university fees
- A bursary with an additional financial incentive upon completion of course
- Placement within a local NHS trust
- Short and flexible courses
- Full support and mentoring in practice placement
- Employment opportunities

Applications open in February 2012, check our website for details
